

**MAY 14, 2026
THE RAWLS COURSE**

We are proud to bring you the **35th Annual Scholarship Golf Tournament** hosted by the **Texas Society of Professional Engineers – South Plains Chapter**.

The Board of Directors for the South Plains Chapter of TSPE established a **\$25,000** scholarship endowment at Texas Tech University with the College of Engineering in 2004. A second endowment of **\$40,000** was established to support the International Engineering Program in 2018. Through the tireless efforts of past Boards and Golf Tournament Chairs and generous donations of our sponsors, the **endowments have increased to nearly four times the original investment!** For the scholarship goals of 2025, the Board of Directors has chosen to spread the generous donations of our supporters across to other local recipients. Beneficiaries may include local graduating high school students / local college students pursuing engineering degrees or local teachers to promote STEM education or further contributions to our endowments. As always, all donations are tax deductible. We hope you will consider one of the following Sponsorship levels for this year's tournament: Visit our website at <http://tspesouthplains.org/golf>
